Please fill out the below information to the best of your knowledge, and thereafter return this form prior to or concurrent with your initial consultation. At the time of the initial consultation, please also bring all relevant documentation including, but not limited to:

- W-2 and/or business income documentation;
- State and Federal Tax Returns;
- Any prior orders or agreements between the parties; including premarital agreements if applicable;
- Asset and liability documentation;

If you are going to bring this form and the information with you to the initial consultation rather than dropping off copies in advance, then please arrive ten (10) minutes early to the consultation to allow the attorney some time to review your answers to this form and other materials.

Please remember to keep this information in a safe place should you not wish your spouse/the other party (or other individuals) to find same. If you do not wish for correspondences to be sent to a specific telephone number, email address or address, please advise our office accordingly so that we

If you have any issues finding the office, please call the firm at 908-237-3096. For purposes of simplicity, the word "spouse" or "ex-spouse" as stated below refers to the significant other of your specific matter, regardless of whether you were married or not.
